## VOLUNTEERS NEEDED FOR **THE BIG RECRUIT**

Now's the perfect time to make those New Year's resolutions. If you've made a resolution that includes volunteering, Big Brothers Big Sisters Twin Cities (BBBS) has the perfect opportunity for you!

BBBS has launched a campaign called **The BIG Recruit** to recruit **140 new volunteers** in **60 days**! They're seeking caring adults like you to mentor children ages 8 to 13. Each pair or "match" develops a unique relationship based on their interests, hobbies, and values. As a volunteer, you'll spend time with your mentee in the community doing free or low-cost activities you both enjoy.

Through this rewarding opportunity, you'll gain new perspectives, new experiences, and a new friend. See for yourself. Scan the QR code to learn more or get involved!
